

FREE mortgage consultation with the *experts*.

The truth is that most lenders have little understanding about the contracting market, and as a result, their standardised procedures do not accommodate contractors.

Whether you are a first time buyer, moving home or looking to re-mortgage our partners at CMME offer specialist advice specifically to contractors and the self-employed.

- Borrow up to 5 × your annualised income
- Access to some of the most competitive rates in the market
- Deals designed exclusively for self-employed professionals
- Experts in complex income
- 93% of client applications are successful

They've got 25 years of experience ready to share with you and will offer a tailored approach to your individual circumstances.

If you would like to chat with a mortgage specialist, get in touch and we'll arrange an appointment for you.

Ensure your next move is the best one you make.
